**How to order replacement parts**

Please specify following when you order replacement parts such as the suspension, the liners, and Chin strap.

- 1.Suspension & shell type (Size of same type suspension is different depend on shell type)
- 2.Presence of "EPA" (The change from standard to EPA is also possible.)

Standard buckle

Sweat band for standard buckle

EPA buckle

Sweat band for "EPA" buckle

**Impact absorption liner**

**⚠WARNING!**

There is no performance guarantee even if the liner is installed when liner unfit with shell type is installed. Because the model No, changes.

The type of liner should be chosen depending on shell type. An original impact-absorbing performance cannot be demonstrated when a different liner is installed, and it is dangerous.
