

# ST#141 series

The ST#141 series boasting a sleek and functional form.

There are plenty of color variations.

Transparent peak secures clear & wide visibility.

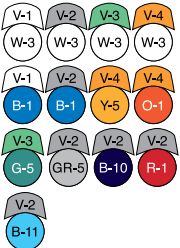

This is useful for work that requires the user to look up or for working in areas with low ceiling height.

It also cuts ultraviolet rays to protect the user's eyes.

Transparent peak & rain guttering

Transparent peak & wide field of view

 **ST#161-JZV**

Material **P C**

Transparent peak

Rain guttering

EPA

Suspension **J 1** Weight **445g**

Transparent peak & rain guttering, with ventilation holes

 **ST#141-JZV**

Material **P C**

Transparent peak

EPA

Suspension **J 1** Weight **450g**

Large shell type with transparent peak

Large sized (56-65cm)

 **ST#1610-JZV**

Material **P C**

Transparent peak

Rain guttering

Ventilation hole

EPA

Suspension **J 1** Weight **445g**

Standard type with peak

 **ST#161L-CZV**

Material **P C**

Transparent peak

Rain guttering

EPA-L

Suspension **C** Weight **535g**

Standard type with peak & ventilation holes

 **ST#0161-JZ**

Material **ABS**

Rain guttering

EPA

Suspension **J 3** Weight **390g**

 **ST#01610-JZ**

Material **ABS**

Rain guttering

Ventilation hole

EPA

Suspension **J 3** Weight **390g**

against flying or  
dropping objects

protection in the  
events of tumbling  
and falling down

electrical insulation  
at high voltage

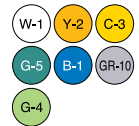

## Excellent electrical resistance

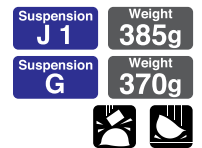

**ST#141-JZ**  
**ST#141-GZ**  
Material **PC** **EPA**

## Made from lightweight FRP, with peak type

**ST#101-JPZ**  
**ST#101-GPZ**  
Material **FRP** **EPA**  
Light weight

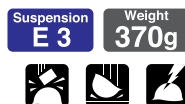

## Heat-resistant

## Made from PE, lightweight & Chemical resistant

**ST#0141-EZ**  
Material **PE** **EPA**

## Chemical resistant

## Made from PC, large shell type with peak

**ST#141L-AZ**  
Material **PC** **EPA-L**

## Large sized (56-65cm)

## Special FRP made model, without rivet Can be used in low voltage environment

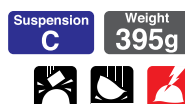

Paint color

**Low voltage (Less than 600V)**

## Heat-resistant

**ST#121-CZ**  
Material **FRP** **Rain guttering** **EPA**
