

MP style series

○ Traditional MP style

Its round spherical shape effectively releases and disperses shocks, ensures upper visibility during work and increases safety.

○ Short peak, wide field of view

The peak of the helmet is short and grants a wide field of view, allowing the user to notice obstacles and falling objects quickly. It is a compact design that will not collide even in narrow places.

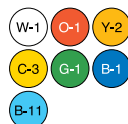

MP style model made from FRP

ST#118

ST#108

- Standard model
ST#118-EPZ
ST#118-GPZ
Material **FRP** **EPA**
ST#118-EP
Material **FRP** **EPA**

Suspension	Weight
E	425g
Suspension	Weight
G	420g
Suspension	Weight
E	395g
Malaysia DOSH (JKKP SH 02/07)	

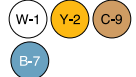

Metal rivet model that does not fall off. Can be used in environments near heat sources.

ST#118

ST#108

- Standard model
ST#118-DMZ
ST#118-EMZ
Material **FRP** **EPA**
ST#118-EM
Material **FRP** **EPA**

Suspension	Weight
D	425g
Suspension	Weight
E	425g
Suspension	Weight
E	395g

- Lightweight model
ST#108-JPZ
ST#108-GPZ
Material **FRP** **EPA**
Light weight
ST#108-EP
Material **FRP** **EPA**
ST#108-GP
Material **FRP** **EPA**
Light weight

Suspension	Weight
J 1	365g
Suspension	Weight
G	360g
Suspension	Weight
E	335g
Suspension	Weight
G	330g

- Lightweight model
ST#108-JMZ
Material **FRP** **EPA**
Light weight

Suspension	Weight
J 1	370g

Lightweight model with ventilation holes

Shell color is painting. (W-1)

- Super Lightweight model
ST#108B-EPZ
Material **FRP** **EPA**
Super light weight

Suspension	Weight
E	320g

- ST#1080-EPZ**
Material **FRP** **Ventilation hole** **EPA**
Light weight
ST#1080-EP
Material **FRP** **Ventilation hole** **EPA**
Light weight

Suspension	Weight
E	360g
Suspension	Weight

MP style model made from PC Lightweight model

ST#180-FZK

Material **PC** **EPA**

MP style model made from ABS

ST#148-JZ
ST#148-EZ

Material **ABS** **EPA**

ST#148-E

Material **ABS** **EPA**

MP style with large shell (ABS)

Large sized
(56-65cm)

ST#160-AZ

Material **ABS** **EPA-L**

MP style with large shell (FRP)

Large sized
(56-65cm)

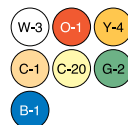

ST#150-AMZ

Material **FRP** **EPA-L**

Heat-resistant

MP style model made from PC Excellent electrical resistance

ST#142-JZ
ST#142-DZ
ST#142-GZ

Material **PC** **EPA**

ST#142-E

Material **PC** **EPA**

Made from PE. Excellent electrical resistance & chemical resistance

ST#147-JZ
ST#147-DZ
ST#147-EZ

Material **PE** **EPA**

ST#147-E

Material **PE** **EPA**

For women and children For disaster prevention and factory tours

Small size
(47-57cm)

ST#198-EPZ

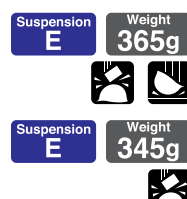

Material **FRP** **EPA-S**

Light weight

ST#198-EP

Material **FRP** **EPA-S**

Light weight

Heat-resistant
